Alex and Luke
Room 15, Grades 1 & 2

We are learning about likely and unlikely, which is probability. We are going to watch the butterfly on the web. We are learning about butterflies. There is a certain kind of butterfly called a skipper—it skips in the air.

Room 12, Grade 3

We like our new teacher, Mr. Ahlness, because he is nice. In the class we are using computers a lot. We drew pictures in class to make people feel better about what happened in New York.

A rooster laid an egg on a roof. Which way will it roll?

Roosters don't lay eggs!

Stories, poems, articles, and *great* jokes from student news reporters at Arbor Heights Elementary School in Seattle, WA
Editor: Mr. Ahlness

News from the classroom.....

Room 9, Grade 3

From Andrew:

At summer I went to Lincoln Park. At Lincoln Park I met my old friend, and then my neighbor.

From Kylee:

Hi, my name is Kylee. In math we are studying graphs. In English we are studying four different kinds of sentences: statements, questions, commands, and exclamations. In Reading we are reading "Dr. DeSoto". Mrs. Salter is really nice.

What has four eyes, but can't see?

Mississippi!

Room 14, Grade 1

I like reading "Arthur" books. - Malia
 I like reading tests, because it is so easy, and I already know the "_tion". It says "shun" - Meshia
 The reason I like school is because I have good classmates, and I like my teacher. - Samantha
 I like playing baseball here. - Patrick

More classroom news.....

**Michele and Tyler
Room 17, Grade 2**

We really learn a lot of stuff. It's really nice. I like this year a lot. I like soccer. We do social studies. We do a lot of math. We had a writing test.

How do you make friends with a squirrel?

Climb up a tree,
and act like a nut!

**Elan and Kerri
Room 16, Grades 1 & 2**

Our new school year is great! We love it. The second graders have to do really hard math. But, on the other hand, it's fun, too. We miss Mr. Dorsey a lot. But we love Dr. Coram, too. Our classmates are great. We are doing a musical: "The Three Little Pigs".

**Claudia and Delaney
Room 25, Grades 4&5**

Well, last Friday we went to the Salmon Homecoming Celebration. And we both hope to see world peace. And the Mariners won 104 games! Last summer I did a lot of stuff. I really like school because it's fun, and we get to learn a lot of stuff.

How do you catch a unique rabbit?

U-neck up on it!

**Shelby and Tony
Room 7, Grade 4**

This is our first year to have Reggie the snake in our classroom. Testing was easy. Shelby went to Kansas, Dosewallups, and Camp River Ranch, a girl Scout Camp. Tony went to the Bahamas, Miami, Denver, and Chicago. There are six new people in our classroom.

Why did the Dalmatian go to the dry cleaners?

Because there were spots all over his coat!

**Grace and Ashley
Room 23, Grades 3,4&5**

This is the best class! We are working hard. On Sept. 20 we went to the Puyallup Fair. We saw many animals and exhibits. We had a fun time. Our city has changed. People are caring and sharing more with each other after what happened in New York.

Why do you think a dinosaur trips on his own footsteps?

Because the faces of his high-tops are untied.

Why can't dinos be sweet?

Because they're dino-sour!
