More classroom news.....

**Madelyn and Jessica
Room 24, Grade 5**

Hello students and staff members of Arbor Heights. Last week in math we learned how to add, subtract, and multiply fractions. In reading we read a novel called Sign of the Beaver. It's about a boy who is in the Maine wilderness alone while his father goes back home to find their family. In science we learned about microscopes, and observing what we saw under them.

Since Young Authors' Day we haven't been doing a lot of work in writing class. Jessica has decided that her favorite field trip was Disney on Ice, because there were so many different kinds of dances on the ice. Madelyn's favorite field trip was the Lighthouse for the Blind, because she got to write in Braille and see how blind and deaf people worked. Madelyn's favorite subjects were writing and social studies. Jessica's favorite subjects were reading and social studies. This summer Jessica will be going to eastern Washington, and Madelyn will be going to Montana.

Well... Bye-bye for now!

Our favorite field trip was to the Woodland Park Zoo. We also went on a field trip to the beach. The beach that we went to was called Alki Beach. Our favorite subjects are reading and writing. The thing that we will miss most when school is over is the whole class, including our teacher, Mrs. Shavey.

Abby will go on field trips with her Brownie troop overnight at Camp Long. Ashleen is going to Wild Waves and Enchanted Village for summer vacation. Noelle is going to Whistler. Jacqueline is maybe going on a trip to Hawaii. Abby's sister is going with Abby to Camp Long. They are both Girl Scouts. Abby is a Brownie. Ashleen's brother is going to camp for three days. He is a fifth grader. We hope that everyone will have a great summer vacation!

Mrs. Shavey is going to Ashland, Oregon for the Shakespeare Festival, and then to Germany. She'll take a cruise on the Danube to Austria, Slovakia, Hungary, Bratislava, and the Czech Republic. She is especially looking forward to seeing Budapest and Prague.
