Fieldtrip to the
Lighthouse for the Blind

There are 4 different ways blind people see. There is full blindness, tunnel vision, central vision, or the loss of parts of the visual field. Those are the 4 different blindnesses. The reasons those specific people are blind is because they were born with the blindness disease, or something caused their blindness.

We had a play. It was "The Three Little Pigs Know Kelso's Choices." We are also doing our how to books. Most of us are done with our quick books and are almost starting our real how to books. We made envelopes for our Valentines to go in. We are going to have a Valentine's party too.

Sweet: *What did one heart say to the other heart?*

Heart: *Nothing-organs can't talk!*
