**David and Anthony
Room 1, Grades 4&5**

We took the WASL test last week and we had no homework! On Friday we are going to go on a field trip. We are doing our young authors day books for young authors day. We are writing 3 stories about Washington. We are cleaning the earth.

**Maya and Emily
Room 12, Grade 3**

Maya: On Friday we went to Chinatown. It was lots of fun. On the 21st we delivered Earth Day grocery bags to Safeway. That was lots of fun and awesome too. We went into other classrooms to deliver the earth day bags. We had an Earth Day party. We had lots of foood. The foood was great, and the party was fun. On Friday we went to the fortune cookie factory. It was lots of fun. There were flat fortune cookies, It was really cool!!!!

Emily: All of us in room twelve all most beat the score for passing in the tests for spelling. And last week we got to 11 seconds. It was better, but not good. I wish we got to three seconds. That would be the best score ever and it will be lots of fun. All of us in room twelve started our cursive book. We already did cursive a. And every one in room twelve talked in the classrooms to people. It was fun. And I was nervous of talking in front of kids. Everyone got to talk to two classrooms. And we saw a movie. It was *The Lorax*. It was the best. Maya's right, the fortune cookie factory was lots of fun.

Presenting the bags to Safeway!
