**Hannah and Amanda  
Room 24, Grade 5**

Amanda: We took the MSP a couple weeks ago. We had the math test first, the reading test second, and the science test last. After the MSP we got ready to go to camp. The teacher was happy and so were we. The school had Young Authors Day, and we signed shirts. The fifth graders are leaving this school to go to middle school.

Hannah: At camp we went horseback riding, and we went swimming. Even though it was raining. Over the summer we will miss Arbor Heights, because we will be going to Denny Middle School. We hope we are in the same classes!

**Rose, Aili, and Keller  
Room 16, Grade 1**

Rose: This summer I am going down to my grandma and grandpa's house to see my uncle and my new aunt get married. Also, this summer I am going to camp with my friend Aili. I will miss my teacher, Mrs. Sesnak, Read Aloud, Music, P.E. and my friends. This year my favorite field trip was the Brementown Musicians at the Children's Theater. In my class we lost a lot of teeth.

Aili: This summer I am going to Japan. Then I will go to summer camp with Rose. I am going to read and lie in the sun and swim. I am going to miss Mrs. Sesnak. Our class went on 5 field trips! We went to see the salmon and we went to the zoo. We went to the art museum and the Brementown Musicians. Next we are going to the beach. This year I liked math.

Keller: This summer I'm going to summer camp. But, really, I just want to stay home and I want to play with my friends. My favorite field trip was going to the Dragonfly Pavilion to see the salmon. I liked seeing the dams that the salmon made with their tails in the gravel.

**Laurel and Noelle  
Room 22, Grade 5**

Hey guys! Here comes the sun... hopefully.

Summer is coming so fast! This summer my family and I (Laurel) are going to Canada for a family reunion. Also I'm going to summer camp. I am really excited.

Noelle is going to Hong Kong to visit her family. She also went to fifth grade camp with everybody else.

Both of us are going to miss Arbor Heights so much! When we're at middle school next year we'll be thinking of you and hoping to visit you guys again soon!

Have a great summer!

Sincerely, Laurel & Noelle
