## Sesen Room 12, Grade 3

What we did in April is we went to other classrooms with grocery bags. Some of us got worried because we went in front of fifth graders. Some days after math we corrected bags from other classes for mistakes. After that, each person in our classroom got to pick two bags that they thought were the best! We had to take the bags to Safeway, and we had to walk.

After we got there, we got to see some of the other bags that we picked to be up on the wall of Safeway. When we were done exploring Safeway, they gave us each one pop and a cookie. After we got back to school our teacher, Mr. Ahlness, gave us a piece of candy which looked like an earth and a pen which looked like it was from US West, and there were different colors of them.

What we did in May is on May 6th we went on a field trip to the Pike Place Market, and on May 23rd we went to Lincoln Park.

## Jenna & Rachel Room 14, Grade 2

We went on a field trip to study marine life at Puget Sound. For Young Authors' Day we made a feelings book. We also made our "About the Author" page.

## Evelyn & Kevin Room 17, Grades 1&2

In June we are going to Lincoln Park for a potluck party. We have been doing third and fourth grade math! We wrote Young Authors' books. "I was gone for it, but I wrote a book, and I went to Disneyland", said Kevin. Evelyn said, "My book was a long one!"

## Taylor and Teddy Room 16, Grades 1,2,&3

In Room 16 we went on a field trip to the Seattle Children's Theater to see the "Hardy Bays". It was great! Then we ate lunch at the Seattle Center's huge fountain. After that we went back to school. On May 16th we started going swimming.

We took the "Three Little Pigs" play on the road to Alki Elementary and the Senior Center.

### I Can Do Anything

by Kendall, Room 19

I can do anything  
because I know I can  
I can  
I can  
I just know I can  
because I tried  
I can jump rope  
I can swing  
I can dance  
I can do anything

I know I can  
I can  
I can  
I just know I can  
because I've tried  
and I can
