### **Kara and Courtney Room 7, Grade 4**

Our class went on a field trip to the Klondike Gold Rush Museum and watched a slide show and panned for gold. We went to Uwajimaya. Our class went swimming at the Arbor Heights Pool with some other classes. Our class also did a play called "Going Buggy". We did the play on June 9th. We were fireflies, and all the bugs wanted respect.

### **Taylor and Tony Room 21, Grade 5**

Tony and Taylor have enjoyed writing in this newsletter, but they have to go to... Middle School. They both are going to Madison Middle School. This summer Taylor is going to Disneyland, the San Diego Zoo, and to Camp Sealth on Vashon Island. Tony and Taylor are going to the same camp, just at different times. This summer Tony is going to Ocean Shores.

**Michael and Taylor  
Room 1, Grade 1**

We will go on our last field trip this year to the Harbor. We will ride the trolley and a boat. We learned a lot about bugs, fish, and snails in science. We learned about maps. Taylor will go to Lake Chelan this summer. Michael will go to Whistler this summer. We had fun in art making clay hands, rainbow fish, frogs, and puppets. We liked the Young Author Assembly. We liked watching plays. We will miss helping people, doing morning papers, maps, and our teachers. Mrs. Blanco was a great student teacher. She taught us about measurement, fractions, and maps.

Why did Garfield go to the beach dressed like Santa Claus?

Because he's Sandy Claws!

**Jaelynn and Jesse  
Room 12, Grade 3**

We will miss all of our computers. We will also miss our friends, but we won't miss our work. Our favorite assembly was when Nina Laden came. In school we'll miss the Earth Day Grocery Bags. That was real fun. We wish we could do the Earth Day project with Mr. Ahlness again. We liked all the field trips. We went to the Arbor Heights Swimming Pool. It was very fun. It was real fun! It was sunny. We'll miss all of our easy work we had with Mr. Ahlness. We'll miss a lot of things. There will be a party for all of the News Reporters. We really hope to be News Reporters again next year so we can have another party.

The rope wasn't tied to anything!

A dog was tied to a 15 foot rope, but ran 30 feet. How come?

**Kristina and Anna  
Room 19, Grade 1**

We sold the most wrapping paper. We had a pizza party. We got toys at the party. We had pop, too.

What do you call it when 3,000 dogs and cats get sent to the pound?

A doggone catastrophe!

**Callan and Kirubail  
Room 15, Grades 2&3**

I'm going to miss this class because I probably won't see some of my friends next year. It's not going to be the same. Oh yeah, if you're wondering, we got a yard habitat certificate from the National Wildlife Federation. We're number 799! We provide habitat (water, shelter, food, and a place to raise their young) for butterflies and insects. My favorite assembly was our A-Z Does It.

One last pizza joke:  
What's pizza's favorite relative?

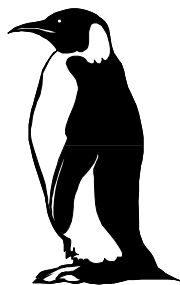

Aunt - Chovy!

## Kendall and Spenser Room 9, Grade 3

At the beginning of the year we made a town on our bulletin board called UPTOWN. Kendall and Timmy ran for Mayor. Kendall won! We have had a very good time making houses and buildings to put on the board. We had lots of decisions to make. One was if we should take take 10,000 dollars but have a freeway right through the middle of our town. We were the first class when everyone voted no!

*One day a man was driving his truck, when all of a sudden he saw a bunch of penguins in the road. He said, "I can't leave all these penguins in the road". So he went to his friend's house and told him about it. His friend said, "Why don't you take them to the zoo?"*

*So the man did. The next day the man came home, but he still had the penguins in his truck. His friend said, "I thought you took them to the zoo?" "I did", said the man. "And we had so much fun there, that now I'm taking them to the movies!"*

## Willy and Danny Room 16, Grades 1,2&3

The second and third graders are going to have a tea party on Wednesday, June 16th since they want to be in Mr. Femi-ano's class next year. And we're going to Lincoln Park with Rooms 15 and 17. Some kids go crabbing under the ferry dock, and some kids make holes in the sand. The worst part of summer break is our summer math packet. It is a booklet of hard math problems and some puzzles, too. But we can't wait until summer starts.

On June 3rd all of the 5th graders and the 4th graders from Mrs. Haas went to the Bon Marche, and it was fun. This summer I'm planning to ice skate like I (Katie) have for the last 2 years. I am going (Matt) to Madison for middle school next year. I'm excited!!!

But I'll miss a lot of my friends.
