Our class has some tadpoles. They came from eggs. They look like commas. They will swim until they are a frog. We went in our garden. We watched a tree get cut. We have free activity. I like to play with the puppets. They can say "Hi".

Riddles:

- Q: Why did the frog want to crack out of the egg?
- Q: Why did the tadpole cross the pond?
- Q: Why did the tadpole go back in the egg? Can you find the answers?

Because she was so croaky!
Because the water was cold!
To get to Mrs. Stroh's class!

Hannah and Keenan Room 17, Grades 1&2

Oops, the real date is April 9, 1999 for "Lilly's Purple Plastic Purse". In class we always do the same thing, except for when our teacher mixes our days up. After we go to lunch and gym or music, we do crossword puzzles about animals and bugs. Bugs give Hannah the creeps!

Our teacher is very funny sometimes. Sometimes when Mr. Pharis is sick, we send him get well cards.

An Interview with Mr. Dorsey

I interviewed Mr. Dorsey. When he's not at school, he likes to watch sports and read to his daughter. Mr. Dorsey also said that he thinks the reduced lunch and the self manager program help a lot of people. He also said a negative aspect of Arbor Heights is the heating. He said it will be improved next year.
